## **With volunteer help La Porte Animal Shelter nearing completion**

On January 24<sup>th</sup>, 2015, a total of 42 volunteers gave of their time and effort to provide various landscaping and beautification services for La Porte's, soon-to-open, City Animal Shelter. The facility is located at 10901 Spencer Highway, and is anticipated to be a success for the entire Bayshore community.

Representatives from La Porte's Garden Club, Rotary Club, Citizens Police Academy Alumni Association, and City & Municipal Services worked unselfishly for hours on the planting of garden beds, spreading mulch and rocks around the fountain building, and staining facility fencing.

Such a venture takes teamwork. However, those participating didn't consider it work at all, just part of being a team. If you have any questions about the Animal Shelter and Adoption facility, or are interested in volunteering in any way, please contact Animal Control Supervisor Clarence Anderson at 281-471-3810.
